PROFILE

A dynamic and detail-oriented Full-Stack Developer with a robust background in both front-end and back-end technologies, I possess a deep understanding of the full software development lifecycle and a commitment to mastering the latest industry trends and technologies.

WORK EXPERIENCE

Front End Developer

Freelance Platforms Upwork, Fiverr

2017 - 2020

Spearheaded the design and development of responsive and user-friendly web interfaces for a diverse clientele, ensuring cross-browser compatibility and mobile responsiveness.

Computer Technician

Computer Service Optimus

2013 - 2016

Collaborate with clients to assess their IT needs and recommend hardware and software solutions tailored to their requirements. Diagnosed and repaired hardware and software issues for desktops, laptops, printers, and other peripherals.

QA Tester

Moldcell

2012 - 2013

Played a pivotal role in the software development lifecycle by conducting comprehensive testing of web and mobile applications.
